1.3 The headings in these Conditions are for reference only and will not affect the interpretation of these Conditions.

1.4 In these Conditions the words "unless otherwise agreed in writing" will mean unless otherwise agreed in writing and signed by a director of the Company.

1.5 The Company reserves the right at any time to correct any clerical, typographical or other similar errors made by its employees.

1.6 In the event of any conflict between the terms of these Conditions and the Order Acknowledgement then the Order Acknowledgement shall prevail. The Contract between the Company and the Customer shall constitute only the Purchase Order, Specification, Order Acknowledgement and Conditions, to the exclusion of any other terms that the Customer seeks to impose or incorporate.

**2 QUOTATIONS**

2.1 Any quotation (whether written or oral) is given on the basis that no contract will come into existence otherwise than in accordance with the provisions of clauses 3.5 and 3.6.

2.2 Unless stated otherwise by the Company, a quotation shall be valid for a period of 30 days from date of issue provided that the Company has not previously withdrawn it by written or oral notice to the Customer.

2.3 Any quotation is based on the instructions and information provided by the Customer and the Company reserves the right to amend the quotation at any time to cover any increase in price

which may arise as a result of additional or incomplete instructions or information.

**3 APPLICATION OF TERMS**

3.1 Subject to clause 3.4, these Conditions are the only conditions on which the Company is prepared to deal with the Customer and they will apply to all Contracts to the exclusion of any other terms and conditions including but not limited to any which the Customer purports to apply.

3.2 No terms or conditions endorsed upon, delivered with, referred to or stipulated or contained in any Purchase Order or otherwise delivered or sent by the Customer to the Company will form part of the Contract.

3.3 Any reference in these Conditions to the Customer's Purchase Order or other similar document will not be deemed to imply that any terms or conditions endorsed upon, delivered with, referred to or stipulated or contained in such Purchase Order or other similar document will have effect to the exclusion or amendment of these Conditions.

3.4 Any variation to these Conditions and any representation about the Works will only be effective if it is agreed in writing, contains a specific reference to these Conditions and is signed by a director or duly authorised representative of both parties.

3.5 Each Purchase Order for Works issued by the Customer will be deemed to be an offer by the Customer to purchase Works subject to these Conditions.

3.6 No Purchase Order placed by the Customer will be deemed to be accepted by the Company until an Order Acknowledgement is issued by the Company or (if earlier) the Company commences the Works or supplies the Works to the Customer.

3.7 The Customer agrees and undertakes that the content of its Purchase Order and any applicable Specification are complete and accurate.

3.8 Unless otherwise agreed in writing, all drawings, illustrations, descriptions, specifications, technical data, advertising and other similar information issued by the Company or contained in the Company's catalogues, brochures, trade literature, price lists or other similar published materials are issued or published only for the purpose of giving an approximate idea of the Works described in them and will not form part of the Contract.

3.9 Any Purchase Order which has been accepted by the Company in accordance with clause 3.5 and 3.6 may only be amended, cancelled, postponed or varied by the Customer with the prior written consent of the Company and on terms that the Customer will indemnify the Company in full against all costs, damages, charges and expenses incurred (directly or indirectly) by the Company as a result of such amendment, cancellation, postponement or variation.

**4 DELIVERY**

4.1 The Company shall deliver the Goods to the Delivery Address. Subject to the provisions of clause 4.2, delivery will be deemed to take place when the Goods are delivered to the Delivery Address.

4.2 If the Company agrees to permit the Customer to collect the Goods from the Company's place of business then delivery will be deemed to take place when the Company notifies the Customer that the Goods are ready for collection and unless otherwise agreed in writing the Customer will collect the Goods within 3 working days of the issue of such notice.

4.3 Any times specified or agreed by the Company within the Order Acknowledgement or otherwise for the shipment of the Works are given in good faith but are an estimate only. Unless otherwise agreed in writing time for the shipment of the Works will not be of the essence of the Contract.

4.4 The Company will use its reasonable endeavours to deliver the Works within the times set out in clause 4.3 but the Company will not be liable for the consequences of any delay or failure to deliver in accordance with any such times.

4.5 The Company will use its reasonable endeavours to ensure where necessary that the Goods will be packed so as to be adequately protected against damage in normal conditions of transit of usual duration. The Company will make such arrangements for the carriage and insurance of the Goods as it agrees with the Customer.

4.6 The Company may deliver the Works in instalments. Deliveries of further instalments may be withheld until the Works comprised in earlier instalments have been paid for in

full. Default or delay by the Company (howsoever caused) in respect of one or more instalments will not entitle the Customer to terminate the relevant Contract as a whole.

4.7 At the time of delivery the Customer shall examine the Goods. Subject to clause 8.3, the Company will not be liable for any shortages in or non-delivery of the Goods (even if caused by the Company's negligence) unless the same is notified in writing by the Customer to the Company (together with all relevant details) within 3 Working Days of the actual or anticipated date of delivery (as appropriate). Subject to such notice being provided the Company will, if it is reasonably satisfied that any Goods have not been delivered as a result of the Company's fault, (in its sole discretion) either arrange for delivery as soon as reasonably possible or give credit (at the pro-rata Contract price) to the Customer for such Goods. Any shortages in or non-delivery of part of the Goods will not affect the Contract in respect of the other parts of the Goods.

4.8 If the Company complies with clause 4.7 it will, subject to clause 8.3, have no further liability (in contract, tort (including but not limited to negligence) or otherwise) for such shortages or non-delivery of the Works.

4.9 Whilst the Company will use reasonable endeavours to supply the exact quantity of the Works ordered by the Customer, the Company may supply and the Customer will accept up to 5% more or less than the exact quantity ordered.

4.10 The Customer (at its own expense) will ensure that the place where delivery of the Goods or performance of the Services is to take place is adequate and appropriate for such delivery or performance and will provide such access, equipment, facilities, protection, manual labour and information as may reasonably be required to enable the Company to perform its obligations under the Contract.

**5 RISK AND OWNERSHIP**

5.1 Unless otherwise agreed in writing the Goods are at the risk of the Customer from the time of delivery or deemed delivery to the Customer (as appropriate) and loading and off-loading (as appropriate) will be at the Customer's risk. Section 20(2) of the Sale of Goods Act 1979 will not apply.

5.2 Notwithstanding that risk in the Goods will pass to the Customer in accordance with the provisions of clause 5.1, ownership of the Goods (both legal and equitable) will only pass to the Customer (other than when ownership is properly vested in some other person by the operation of any statute) when the Company has received in full (in cash or cleared funds) all monies due to it from the Customer in respect of the Goods.

5.3 Until ownership of the Goods has passed to the Customer under clause 5.2, the Customer will:

- (a) hold the Goods on a fiduciary basis as the Company's bailee;
- (b) keep the Goods free from any charge, lien or other encumbrance;
- (c) store the Goods (at no cost to the Company) separately from all other materials of the Customer or any third party in such a way that they remain readily identifiable as the Company's property;
- (d) not destroy, deface or obscure any identifying mark on the Goods or their packaging;

maintain the Goods in a satisfactory condition, insured on the Company's behalf for their full price against all risks to the reasonable satisfaction of the Company and on request produce such policy of insurance to the Company

- (e) hold all proceeds of the insurance referred to in clause 5.3(e) on trust for the Company and not mix it with any other money or pay the proceeds into any overdrawn bank account; and
- (f) not attach the Works to any real property without the Company's consent.

5.4 The Customer may resell, use or otherwise dispose of the Goods before ownership has passed to it only if any such sale, use or disposition will be effected in the ordinary course of the Customer's business and will be a sale, use or disposition of the Company's property on the Customer's own behalf and the Customer will deal as principal.

5.5 The Company may while the owner of the Goods (and without prejudice to any other rights it may have under or by virtue of these Conditions) demand the immediate return of the Goods at any time and the Customer will forthwith comply with such demand and bear the expenses for such return.

5.6 The Customer grants to the Company (or its successors in title for the Goods) and their respective employees and agents an irrevocable licence to enter at any time any premises where the Goods are or may be situated for the purpose of inspecting or removing any such Goods the ownership in which has remained with the Company.

5.7 The Company will be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from the Company.

5.8 The Goods will be deemed sold or used in the order delivered to the Customer.

## 6 PRICE AND PAYMENT

6.1 Quotations given in a currency other than sterling are based on the rate of exchange at the time of quoting and (unless otherwise agreed in writing between the parties) the price may be subject to revision if any different rate of exchange is ruling at the date of invoice.

6.2 Unless otherwise agreed in writing, the price for the Works is exclusive of any delivery charges.

6.3 Unless otherwise agreed, the price for the Works is exclusive of any value added tax (and any other tax or duty relating to the manufacture, transportation, sale or delivery of the Works) and any costs or charges in relation to export and/or import, packaging, loading, unloading, carriage and insurance. Such costs and expenses will be paid by the Customer when it is due to pay for the Works.

6.4 The Company may invoice the Customer for the Works at any time after the delivery of the Works or the delivery of any instalment (as appropriate). If any delivery is postponed at the request or by the default of the Customer then the Company may submit its invoice at any time after the Works are ready for delivery or would have been ready in the ordinary course but for the request or default on the part of the Customer.

6.5 Customers who have been granted by the Company (in its sole discretion) a credit account facility will, unless otherwise agreed in writing, pay the price within 30 days of the end of the month in which the invoice is dated. The Company may (in its sole discretion) amend the terms of or withdraw such credit account facility at any time without notice with immediate effect and on such withdrawal all amounts due or accruing to the Company under the Contract will become immediately payable despite any other provision of these Conditions.

6.6 Customers who have not been granted a credit account facility will pay upon receipt of the Company's pro forma invoice.

6.7 No payment will be deemed to have been received until the Company has received cleared funds.

6.8 Time for payment will be of the essence of the Contract and the Customer will indemnify the Company against all expenses and legal costs incurred by the Company in recovering overdue amounts.

6.9 All payments payable to the Company under the Contract will become due immediately on termination of this Contract despite any other provision of these Conditions.

6.10 The Customer will make all payments due under the Contract without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Customer has a valid court order requiring an amount equal to any such deduction to be paid by the Company to the Customer.

6.11 If the Customer fails to pay the Company any sum due pursuant to the Contract, the Customer will be liable to pay interest to the Company on such sum from the due date for payment at an annual rate of 4% above the base lending rate of Barclays Bank Plc from time to time accruing on a daily basis until payment is made in full (whether before or after any judgement).

## 7 QUALITY

7.1 Where the Company is not the manufacturer of the Goods, the Company shall use its reasonable endeavours to transfer to the Customer the benefits of any warranty or guarantee given by the manufacturer.

7.2 Where the Company is the manufacturer of the Goods the Company warrants (subject to the provisions of this clause 7) that:

7.4 The Customer acknowledges and agrees that it is exclusively responsible for the Specification and for determining the Goods use and their ability to function for any particular purpose. Accordingly, the Company shall not be liable to the Customer for any advice given by Company to the Customer relating to its requirements in respect of any Goods, their use and or functionality.

7.5 Where the Company is the manufacturer of the Goods and/or the Company performs Procurement Services and in so doing identifies (and notifies the Customer) that the Goods do not comply with the Specification and notwithstanding this the Customer requests the Company to manufacture and/or purchase such Goods, then the Company shall not provide any warranty that the Goods comply with the Specification and shall not be liable for any losses, liability, claims, costs or damages suffered or incurred by the Customer as a result of the same and the Customer shall not be relieved of its obligation to pay for the Goods by reason of them not complying with the Specification.

7.6 The Company will not be liable for any breach of any of the warranties in clause 7.1 to 7.3 inclusive unless:

- (a) the Customer gives written notice of the defect to the Customer within 28 days of the date when the Customer discovers or ought reasonably to have discovered the defect;
- (b) (if the defect is as a result of damage in transit) the Customer gives written notice of the defect to the carrier in the manner and within the appropriate time limit as set out in the carrier's terms of business;
- (c) the Company is given a reasonable opportunity after receiving such notice to examine such Works and the Customer (if requested to do so by the Company) returns such Works to the Company's place of business (at the Customer's cost) for the examination to take place there; and
- (d) the Customer obtains a Returns Material Authorisation number from the Company prior to returning any Goods to the Company pursuant to clause 7.6(c).

7.7 The Company will not be liable for a breach of any of the warranties in clause 7.1 to 7.3 inclusive where and to the extent that:

- (a) the defect arises where the Company has followed and complied with the Specification;
- (b) the defect arises from the Customer's Property (including Customer supplied components (free issued or sold) or as a result of the Customer's negligence or breach of the Contract;
- (c) the defect arises as a result of fair wear and tear, misuse, wilful damage, or abnormal working conditions;
- (d) the defect arises as a result of any parts, materials or equipment not manufactured or workmanship not performed by the Company;
- (e) the Customer makes any further use of such Works after giving written notice of the defect;
- (f) the defect arises because the Customer has failed to follow the Company's instructions (whether oral or in writing) as to the storage, assembly, installation, commissioning, use, processing, handling or maintenance of the Works or (if there are none) good trade practice;
- (g) the defect arises as a result of any installation, testing or commissioning of the Works performed by the Customer or any third party; or
- (h) the defect arises as a result of any alteration, servicing or repair of the Works not made by the Company and without the written consent of the Company.

7.8 Subject to clauses 7.4, 7.5, 7.6 and 7.7, if any of the Works do not conform with any of the warranties set out in clauses 7.2 and 7.3, the Company will at its option and cost either repair or

replace such Goods (or the defective part), re-perform such Services or refund the price of such Works at the pro rata Contract rate.

7.9 If the Company complies with clause 7.8, it will have no further liability (in contract, tort (including but not limited to negligence) or otherwise) for breach of any of the warranties in clauses 7.2 or 7.3 in respect of such Works.

7.10 Any Goods replaced by the Company in accordance with the provisions of clause 7.8 will belong to the Company and any repaired or replacement Goods will be subject to clause 7.2(b) for the unexpired portion of the 6 month period applicable to the Goods originally supplied.

7.11 Where the Company provides Procurement Services then the Company gives no warranty or other commitment that the Goods comply with the requirements of any applicable law or regulation, including but not limited to, EU Regulation on the Registration, Evaluation, Authorisation and Restriction of Chemicals (1907/2006/EC) or the Restriction of the Use of Certain Hazardous Substances in Electrical Electronic Equipment Regulations 2008 and shall not be liable in any way to the Customer for any failure of such Goods to comply with any applicable law or regulation.

8.1 All warranties, conditions and other terms implied by statute or common law (except for the conditions implied by section 12 of the Sale of Goods Act 1979 and section 2 of the Supply of Goods and Services Act 1982) are, to the fullest extent permitted by law, excluded from the Contract.

8.2 The Company's liability in relation to the warranties given in clause 7.2 and 7.3 shall be limited as provided in clause 7.8.

8.5 Subject to the provisions of clause 8.2, 8.3, 8.6 and 8.7, the Company's total liability arising out of or in connection with the Contract will be limited to the Contract price.

8.6 For the purposes of clause 8.5, where the Purchase Order relates to a number of sets of Goods, the Contract price shall only be the price attributable to those particular Goods in respect of which there is a breach of any of the warranties in clause 7.1 to 7.3 and shall not be the aggregate price applicable to all the Goods which are the subject of the Contract.

8.7 For the purposes of clause 8.5, where the Purchase Order relates to a series of discrete Services, the Contract price shall only be the price attributable to those particular Services respect of which there is a breach of any of the warranties in clause 7.1 to 7.3 and shall not be the aggregate price applicable to all the Services which are the subject of the Contract.

9.1 While the Company will take reasonable care of the Customer's Property whilst it is in the Company's possession, control or custody, the Customer's Property will (unless otherwise agreed in writing) remain at the Customer's risk and all replacements and alterations of and repairs to the Customer's Property will be the Customer's responsibility.

9.2 The Company will not be liable for any loss or damage to the Customer's Property unless such loss or damage arises as a direct result of the Company's negligence. Where the Company is liable under this clause 9.2, the Company's liability to the Customer will be limited to the actual cost of the replacement or repair of the Customer's Property (as the case may be).

9.3 The Customer will ensure that the Customer's Property is in good condition and suitable for use by the Company in the performance of the Contract and while the Company will use

reasonable endeavours to verify any relevant aspects of the Customer's Property no responsibility is accepted by the Company for its accuracy.

9.4 Any defect in the Works which is due in whole or in part to the Customer's Property will not entitle the Customer to terminate the Contract, reject the Works, make any deductions from the Contract price or claim damages in respect of such defect.

9.5 The Customer will keep the Company indemnified in full against all liability, loss, damage, injury, claim, action, demand, expense or proceeding awarded against or incurred by the Company as a result of or in connection with the use by the Company of the Customer's Property save to the extent such liability, loss, damage, injury, claim, action, demand, expense or proceeding is the result of the Company's negligent acts or omissions.
