

Operator (Through Hole Soldering) (Full time)

Advertisement:

Speedboard is a Contract Electronics Manufacturing company assembling a variety of different PCBAs; mostly low volume and high complexity.

Reporting to the Through Hole Supervisor you will be required to hand solder and assemble various PCBA's from detailed written instruction.

The hours are:

Mon - Thu 08:00 to 16:30 with half hour lunch
Fri 08:00 to 13:00 no lunch

The pay is between £15,064 and £16,354 depending on experience.

This is a "Full" overtime position. Therefore:

Overtime at x 1.3 (Week days and Sat am), x1.5 (Sat pm) and x2 (Sunday)

Overview:

Candidates need to demonstrate soldering skills by completing our Speedboard trade test. We will be looking to see that your experience and knowledge is sufficient to produce work to IPC 610 standards and that you are able to understand the information in our written work instructions (job packs).

As is typical within the industry, other tasks include kit preparation, breakout, cleaning, cut and clinch and other mechanical tasks to prepare or complete the PCB assembly before it is sent to inspection for verification

Occasionally, you may be required to work in other areas to contribute to production units as needed.

The ideal candidate:

The person most likely to be offered this role will have previous experience / qualifications in:
(in no particular order)

- Qualified or Experience in hand soldering
- Experience in component recognition
- Experience in kit preparation and mechanical assembly
- Confident with the use of hand tools
- Able to understand and follow the instructions in accordance to our job packs.
- Be able to demonstrate your ability to ensure good quality from the process.
- Good grasp of English Language (GCSE Grade 5/D or equivalent).
- Local to Windsor (easily commutable within 30 mins)
