

## Production Engineer (Full time)

### Advertisement:

This is an additional position at Speedboard due to our continued success and our desire to keep developing our manufacturing processes.

Our Engineering team have two distinct disciplines; these being a) NPI / Front Ending new work, including DFM assessments and creating / writing production work instructions (job packs). And b) Equipment / process maintenance, process improvement and factory support.

Key to the role is having the production / process engineering skills relevant to our industry.

The hours are:

Mon - Thu      08:00 to 16:30 with half hour lunch  
Fri              08:00 to 13:00 no lunch

The pay is from £30,000 depending on experience.

This is a "Limited" overtime position. Therefore:  
Overtime at x1.5 (Weekdays over 2 hours, Sat pm) and x2 (Sunday)

### Overview:

Speedboard currently have a number of Production Engineers whose individual skills vary across the disciplines mentioned above. Consequently, we are looking for an additional Engineer to join the team who has good relevant electronics production engineering experience, be it NPI / Front ending or a manufacturing equipment / process specialist.

Candidates will need to work well with other staff and communicate well with all. The candidate will need to bring expertise that will both challenge us and help us improve. You will need to be hard working and tenacious as you will be hands-on and working independently much of the time.

Therefore, this is a great opportunity for an enthusiastic and experienced Engineer to work in a mid-sized CEM where your work and decisions make an impact.

### The ideal candidate:

The person most likely to be offered this role will have previous experience / qualifications in:  
(in no particular order)

- An experienced production engineer – electronics manufacturing
- Be able to demonstrate your attention to detail
- The capability to teach others / detail instructions in a user-friendly manner
- Good computer skills. Word, Excel and CAD / Drawing packages
- Good grasp of English Language (GCSE Grade D or equivalent)
- Local to Windsor (easily commutable within 30 mins).
