

PCB Inspector (Full time)

Advertisement:

We are looking for an experienced Quality Inspector to boost our Inspection Team. Ideally we are looking for someone with both PCBA and Final Assembly experience backed up with IPC knowledge. The team is managed day to day by our QC Supervisor.

The hours are:

Mon - Thu 08:00 to 16:30 with half hour lunch
Fri 08:00 to 13:00 no lunch

The pay is up to £19,000 depending on experience.

This is a "Full" overtime position. Therefore:

Overtime at x 1.3 (Week days and Sat am), x1.5 (Sat pm) and x2 (Sunday)

Overview:

As a CEM Speedboard manufacture a wide range of PCBAs and Final Assemblies. These range from IPC Class 2 to IPC Class 3 for Automotive and Aerospace customers. Surface mount includes 0201 chip components, BGAs, QFNs to name a few. You will be required to carry out SMD machine checks, first offs, X-Ray, AOI and manual inspection.

Consequently we need Inspectors who can demonstrate experience and knowledge of inspection within the electronics industry to the highest level in the majority of the above disciplines.

You may be required to attend and pass IPC training if needed.

Goods in only carry out basic order checking. Any drawn parts needing inspection also comes under the responsibility of the inspection team. Therefore, supplier quality is also part of the role.

The ideal candidate:

The person most likely to be offered this role will have previous experience / qualifications in:
(in no particular order)

- Be able to demonstrate your attention to detail
- IPC 610 – Class 2 and 3
- Experience of high tech PCBA assemblies
- Experience of electro mechanical assembly
- Good grasp of English Language (GCSE Grade D or equivalent).
- Local to Windsor (easily commutable within 30 mins)
